TESTER RESUME

Personal Information:

Name:	**ramu kaka**
Address:	San Francisco, CA 94102
Email:	**ramukakakaemail@gmail.com**

Objective

Detail-oriented and results-driven software tester with 5 years of experience in quality assurance and software testing. Adept at identifying issues and ensuring software reliability. Seeking a position at **GoWorld** to leverage skills in test planning and execution.

Skills

- Manual and automated testing
- Test case development and execution
- Defect tracking and reporting
- Performance and regression testing
- Knowledge of testing tools such as **Selenium**, **JIRA**, and **Postman**
- Strong analytical and problem-solving abilities
- Excellent communication and teamwork skills
- Familiar with Agile and Scrum methodologies

Professional Experience

Software Tester
WinGroup, San Francisco, CA
June 2053– Present

- Developed and executed over 200 test cases to identify software defects and ensure compliance with specifications, resulting in a 30% reduction in post-release defects.
- Collaborated with developers to reproduce issues and verify fixes, significantly improving the bug-fixing cycle.
- Conducted regression tests for new software releases and enhancements, ensuring that existing features remained functional.
- Documented test results and communicated findings to project stakeholders, leading to improved project outcomes and customer satisfaction.

Junior Tester
ZenExa, San Diego, CA
January 2051– May 2053

- Assisted in creating and maintaining test documentation, including test plans and test case repositories.
- Participated in daily stand-ups and sprint planning meetings to ensure alignment with project goals.
- Executed test cases and reported defects using **JIRA**, improving the team's ability to track and manage bugs.
- Supported the development team in testing efforts, ensuring a high-quality product that met customer expectations.

Education

Bachelor of Science in Computer Science
University of California, Los Angeles, Los Angeles, CA
Graduated: June 2050

Certifications

- **ISTQB Certified Tester**
- **Certified Agile Tester (CAT)**
